

Title: Organ Procurement Manager

OPO: LifeGift Organ Donation Center

Position Description:

LifeGift Organ Donation Center is a dynamic non-profit organization committed to responding to the need for organs and tissues for transplant. LifeGift serves the communities in and around its locations in Houston, Amarillo, Fort Worth, and Lubbock. The LifeGift team is dedicated to research and development of processes and education to increase organ and tissue donation and is constantly growing and changing to meet the needs of the community. We currently have an opportunity to join our enthusiastic, innovative management team as the Organ Procurement Manager in our Houston office. As a part of the LifeGift management team this individual will be responsible for the day-to-day operations of all organ recovery activities in the Southeast region.

Qualifications:

The qualified candidate must have a clinical undergraduate or associate degree in nursing (BSN or RN) and at least five years progressive management experience. A graduate degree and or experience in organ recovery or transplantation a plus Certified Procurement Transplant Coordinator (CPTC) highly desired
Only qualified applicants will be considered and/or notified. EOE.

Deadline for submissions:

Open until July 31st, 2009
