Whole Hearts.</b></p> <p><i>Based on the #1 New York Times Best Selling Book by author and researcher Dr. Brene Brown, this learning workshop is the ultimate playbook for developing brave leaders and courageous cultures. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as infinite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work.</i></p> <p><b>Leah M. Brown</b>, Certified Dare to Lead Facilitator</p>
